# CHAIR'S STATEMENT

# YEAR ENDED 31 MARCH 2018

It is with great pleasure that I introduce our 2017/2018 Annual Report. The use of the Trinity Centre remains as strong and diverse as ever with a 20% increase in groups benefiting from the Trinity Community Initiative alongside the continued delivery of our in-house programme and activities.

Our most sincere thanks to the charitable trusts and foundations who have provided grants for both our building works and arts programmes. Heritage Lottery Fund and Historic England have made crucial contributions to enabling the restoration works to go ahead. Bristol City Council has also made very valuable contributions to ensure Trinity can continue to function as a creative inner-city community hub. Heartfelt thanks also to all the individual donors who have contributed to our capital works and youth music programme.

We thank all those participants, workshop leaders and speakers who have taken part so far in our our Heart & Soul heritage activities. The project, running alongside capital works, has been a chance for our communities to celebrate and learn from our shared history.

IGNITE continues to grow, thanks to continued support from Arts Council England. So far, the project has supported six artists' residencies, alongside a programme of exciting theatre and workshops. We thank our Programming Forum for their integral support and advice, ensuring we programme work reflective of the needs and ideas of our communities.

This year we launched our two-year project "Making Tracks" - funded by Youth Music - in collaboration with Basement Studios and Aspiration Creation Elevation (<u>ACE</u>); providing free life-changing music-making experiences to young people in the city. The bringing together of three established organisations opens up new possibilities and ensures a wider impact of our work.

As always, we are immensely grateful to everyone who has contributed over the past year to our work. We wish to express our thanks to all the users, communities and artists who have got involved over the past year and demonstrated a belief in our vision for a diverse and inclusive community arts space in the heart of Bristol.

As we said goodbye to our valued Chair of Trustees Simon Bates and Trustees John Barker and Ewen Macgregor, we would like to give our heartfelt thanks to them for their time and commitment, helping Trinity to achieve all it has whilst they were involved. We are also very grateful for the continued endorsement of our patron Miriam Margolyes OBE, which has been so valuable in raising the profile of the work we do as well as to Womble Bond Dickinson LLP who provide pro-bono company secretary and legal support.

At our last AGM in October 2017, we were delighted to welcome to the Board new Trustees Laura Williams, Fidel Meraz and Katy Noakes, bringing with them a range of skills and expertise in areas including marketing, producing and the development of heritage buildings in response to community need. The increasing diversity of backgrounds and professional specialisms within our Board will help to extend our network reach within Bristol and beyond. We have a range of new and exciting Trustee possibilities in play, and so hope the Board will be further enhanced within the year.

This year we also welcomed Admin Assistant, Eleanor Fogg, to the team. The Trinity team continue to give so, so much above and beyond to this beautiful space, showing it is an organisation built on love, as well as passion, creativity and artistic spirit. Finally, our hugest thanks go out to the 51 volunteers who have helped over the year by giving 1,645 hours of voluntary time, supporting the delivery of our free annual Garden Party and Festival of Light, our arts programme, garden activities and education projects.

The financial statements comply with the current statutory requirements, the memorandum and articles of association and the Statement of Recommended Practice - Accounting and Reporting by Charities, FRS 102 (issued in 2015).

### Structure, governance and management

### Structure

TCA also works with independent advisers who are able to offer specific skills and expertise to support the successful running of the group.

They also provide a wealth of free legal advice services, supporting with issues including lease negotiations, contract agreements and company law and compliance.

We have also been working with a Member of the Chartered Institute of Management Accountants in an external advisory capacity around governance and finance. Their employment history includes management accounting for Imperial Tobacco and clinical governance review for the Commission for Health Improvement.

He is experienced in conducting internal audits of governance and accounting procedures.

He has committed to working with the Board to carry out internal audit and support with the Board's development, on a pro-bono basis. He is helping to develop internal systems and processes to enable to Board to have greater understanding and control of financial and governance matters, in line with Charity Commission guidelines.

Neither TCA Board members nor our trading subsidiary Board are paid for their duties as Directors. Our Board do not hold paid positions within either the charity or trading company.

### Risk management

Risk management is integrated in the cycle of strategic development that links TCA's planning, delivery, financial management, human resource management, monitoring, evaluation and continuous improvement.

Trinity has adopted a stringent approach to risk, through regular review of Risk Register. We:

- Clearly identify key risk areas and ways to mitigate them
- Outline clearly new measures to decrease risk in key areas of risk, including those recently identified by external business support: governance, leadership secession and financial resilience particularly in relation to reserves
- Have developed a system for continuous monitoring and management of risk developed and owned jointly by Board and staff

Trinity recognises that not all risks can be eliminated but that the extent of the risk can and must be mitigated. Trinity puts in place the appropriate procedures and controls to reduce risks or minimise impact of risks.

Following work with our external advisor, TCA have carried out a detailed update of the organisation Risk Register. The register reflects current Charity Commission recommendations (CC26) regarding the format of Risk Registers, which have a 5 point scale for both impact and likelihood with the numbers multiplied to give a risk score.

The object of this method is to draw attention of the Trustees to the seriousness with which the risks should be taken. An additional column shows the risk score after mitigating factors have been implemented. The Trustees have agreed to review the Risk Register twice yearly.

TCA defines risk as any event or action that may adversely affect our ability to achieve our charitable objectives and execute our strategies. We have identified risks and classified them in terms of likely occurrence and the impact they might have on the organisation with the view to:

• maximise opportunities and to minimise risks

# TRUSTEES' ANNUAL REPORT

# YEAR ENDED 31 MARCH 2018

- encourage the organisation to view major opportunities in context
- assess opportunities and risks in terms of appropriateness to the organisation
- recognise the importance of balancing short and long-term needs and the impact of these needs on organisational change

### <u>Key risks</u>

### 1. Finance

Failure of budgetary control; failure of internal financial controls; failure to meet projected income targets and/or loss of funds/revenue streams; unforeseen expenditure costs.

In order to mitigate against financial risk, TCA Board undertook a review of internal financial controls in January 2018, including a review of finance and reserves policies, in line with Charity Commission (CC) guidelines (CC8).

Since 2015/2016, the Board have taken the view to undertake a full audit for each financial year and in subsequent financial years, regardless of the <£1m threshold. This is in order to ensure detailed scrutiny and prudence given the charity's historic going concern qualification.

TCA have an annual budget in place, taking into account peaks and troughs of income generation and funding profiles, which is monitored against management account reporting, provided by the Centre Director with support from the Management Accountant.

Regular monitoring of spend against individual projects and contracts to ensure positive cash flow takes place within the staff team.

### 2. Health and safety (H&S)

Failure to safeguard the welfare and safety of staff, volunteers, customers and other centre users.

A H&S Audit Tool was derived from the organisation's standing H&S policy, used to scrutinise the application of the policy on an annual basis, with support from external advisors.

Risk Assessments are undertaken for any new activity with weekly event meetings to ensure all H&S implications of activities are understood. Partners are inducted into use of building and expectations made clear through terms and conditions and meetings with hirers.

H&S training is provided to staff to ensure effective implementation of policy and procedures.

A virtual 'bug-tracker' is used for ongoing building observation reporting, so that the facilities team can track and address any potential developing hazards.

We use the accident book to record any incidents and provide annual reporting to the Board in relation to any trends, which helps to steer staff training in these areas.

### 3. Key personnel

Loss of key personnel (Senior Management).

TCA works hard to ensure staff and volunteers feel valued and supported. There are a number of policies and procedures in place including our Internal Communications policy, which fosters a supportive working environment. This details our ethos of encouraging good communication between the team, including regular staff meetings, 121s and team-building, to ensure good staff morale as well as being a performance management tool.

# TRUSTEES' ANNUAL REPORT

# YEAR ENDED 31 MARCH 2018

TCA is a flexible employer and provides flexible working to encourage staff retention. Annual reviews are carried out to ensure any additional responsibilities are recognised, with pay reviews carried out, where possible according to available budget.

Through training, regular supervision and team-building activities, TCA has developed and sustained a dynamic team, with many longstanding members.

We have developed documentation, shared administrative systems and agreed procedures and processes to ensure business continuity and to avoid single points of failure.

Throughout 2017/18 we have and will be developing and implementing our CRM system, to better record information and reduce dependency and risk of loss of organisational knowledge.

### 4. Governance

Failure to recruit/retain Board members.

Board members are inducted into roles and responsibilities to ensure that they understand their duties to help ensure retention and the Board meet regularly and communicate outside of meetings via a shared mailing list to maintain active involvement.

The Board are actively recruiting new members during 2017/18 to increase capacity, co-opting new members for appointment at AGM (October 2018). The Board is also supported by an external advisor to assist with review of governance and finance.

### 5. Data Protection

In line with the revision of the Data Protection Act 2018 and the General Data Protection Regulation (GDPR), Trinity has been reviewing our Data Protection Policy, systems and processes to ensure compliance. We are registered with the ICO and have issued a Privacy Policy and Cookies Policy available for viewing via our website.

### 6. Lease variation/loss

With financial pressures increasingly being faced by Local Authorities across the country and proposed changes to Bristol City Council's Community Asset Transfer Policy underway, the trustees are aware of possible long-term risk to changes in Leasehold/Service Level Agreement arrangements currently held on the Trinity Centre.

The Board and Senior Management are actively seeking legal advice regarding the charity's position, in particular with concern regarding levels of capital investment already made and planned in the asset. The Board have instructed Senior Management to continue to negotiate and liaise with representatives at Bristol City Council to explore alternative options including potential acquisition of freehold.

### Fundraising statement

Trinity's fundraising activities are shared across the organisation, with our primary fundraising activity consisting of applications to public bodies and trusts and foundations.

During our recent capital works phase, we ran an individual giving appeal via online platforms (Just Giving and Crowd Funder), also bucket-collecting during events at the Trinity Centre.

We also employed a part-time fundraiser during the period; this was fixed-term post ending in May 2017, funded by Heritage Lottery Fund as part of the capital works development phase, to help raise funds for our capital works programme.

We have an Ethical Fundraising Policy and have recently subscribed to the Fundraising Regulators. We are not aware of any failure by the charity - or by any person acting on our behalf - to comply with relevant fundraising standards.

As of August 2017, Trinity has operated an opt-in policy for all direct marketing, in line with GDPR guidelines. All e-marketing material contains clear instructions on how a person can be removed from these mailing lists. We work to ensure any ongoing marketing communication is not unreasonably intrusive or persistent and we are not aware of any unreasonable intrusion on a person's privacy, nor any undue pressure placed on a person or persons to give money or any other property to the charity.

At present that charity does not undertake any of the following fundraising activity:

- direct marketing appeals solely in relation to our fundraising
- street or door-to-door fundraising
- telephone fundraising
- direct postal mailers

There have been no complaints about the charity's fundraising activity in the year.

### Development plans 2018-2022

Trinity's business plan, 2018-2022 sets out our key goals and objectives for the period. We are at a key point of development, and have new resources to develop our programme, build our financial resilience, and increase our staff capacity. Together with our experience, track record and commitment we are at the optimum time to be able to take Trinity forward in this next phase of capital works and centre improvement.

Our key goals over the next five years are to:

- Work together with the wider sector to effect real change in diversifying participation in the arts in Bristol and connecting communities and cultures
- Develop a programme that adds value to the existing offer through building on our strengths and heritage
- Complete our capital programme to improve and sustain the fabric of the building and the effectiveness of its use
- Build internal capacity to deliver in line with developed strategies
- Achieve financial sustainability through a robust range of income generation, contractual funding and effective fundraising

We have a strong business model based on a mixed economy approach and supported by: revenue capacity through centre hire, car park management, and ticket sales; project, core and trust and foundation funding through a variety of sources including local authority and Arts Council.

Our capital investment plans are closely related to increasing financial resilience and building strong reserves; centre improvements will both preserve the heritage of this well-loved Grade 11 building, and increase our events, music gig and hire revenue through better public and back-stage facilities and capacity.

A key strength is our high calibre staff team led by an experienced Centre Director and a committed Board. We are investing in strengthening capacity and effectiveness through increased staff resources and Board and staff training/management systems to ensure stability and continuity.

We have increased resources to help us deliver our marketing plan; this includes a ticketing/CRM system and a new marketing post that will significantly increase our knowledge of our audiences and ability to reach new ones.

Our five-year business plan has been developed with the support of Heritage Lottery Fund and Power to Change, and through detailed and robust business scrutiny by the Centre Director and other key stakeholders. It is a plan that has the confidence of the staff and the Board of Trinity, and we look forward to delivering on all key areas and achieving our stated goals.

### **Financial Review**

### Free Reserves

Trinity has free reserves of £20,547. Long-term, we are seeking to build towards fulfillment of our Reserves Policy - the development of the building is vital in order to maximise income in order to achieve this.

# TRUSTEES' ANNUAL REPORT

# YEAR ENDED 31 MARCH 2018

TCA are keen to develop our reserves and are looking at ways this can be achieved with our current cash flow, however, this is only possible if our ability to generate revenue from the premises is maximised.

We have always maintained a healthy turnover with diverse income streams and through registering as a charity we have subsequently set up a separate trading subsidiary company in order to transfer unrestricted profits generated back to the charity.

Increasing our financial capacity through bringing our upstairs hall into use and expanding our programme activities will help generate additional income in order to achieve this.

### Our reserves policy

The Trustees have set out a reserves policy as part of our plans to provide long term sustainability of the Trinity Centre and our community activities.

The Trustees consider the reserves as that part of the charity's unrestricted income funds that is freely available after taking account of designated funds, which have been earmarked for specific building or major equipment purchase or other projects.

The reserves currently stand at £20,548 and are calculated as follows: Total unrestricted funds of £343,188 Less designated funds of £322,640

Designated funds represented are for assets purchased to be depreciated in the coming years.

The minimum target for reserves is six-months core running costs, to ensure the stability of the charity in the absence of any one or more revenue stream. This minimum reserve requirement is calculated as follows: Staff costs £189,595 Core building/overheads £122,036 Total reserve requirement £155,815

The reserves held are currently below our target range, due to ongoing capital investment required in the premises impacting on wider delivery of revenue generating activity. We anticipate some of this ground will be recovered during the coming financial years 2019-2021 so as to achieve minimum level of reserves by 2022.

### Plans for future periods

Key grants secured for activity for 2018/2019	Grant	Activity
Bristol City Council	£17k	Key Arts Provider core funding
Youth Music Fund 2018-2020	£30k pa	Youth Training Programme

Heritage Lottery, Historic England, Bristol City Council + match funders	£800k	Trinity Centre Conservation Project: Capital repair works 2017-2018

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company [and the group] and of the income and expenditure, of the charitable group for that period. In preparing these financial statements, the trustees are required to:

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to make themselves aware of that information.

### Membership

Members of the charity guarantee to contribute an amount not exceeding £10 to the assets of the charity in the event of winding up. The total number of such guarantees at 31 March 2018 was 25. The Trustees are members of the charity but this entitles them only to voting rights. The Trustees have no beneficial interest in the group or the charity.

# INDEPENDENT AUDITORS' REPORT

# YEAR ENDED 31 MARCH 2018

### Independent auditor's report to the members of Trinity Community Arts Limited

### Opinion

We have audited the financial statements of Trinity Community Arts Limited (the 'parent') and its subsidiaries (the 'group') for the year ended 31 March 2018 which comprise the consolidated and parent Statement of Financial Activities, the consolidated and parent Balance Sheets, the consolidated Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the group's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the group's members those matters we are required to state in them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the group's members as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion, the financial statements:

- give a true and fair view of the state of the group and of the parent's affairs as at 31 March 2018 and of the group's income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

### Basis for opinion

We conducted our audit in accordance with international Standards in Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group and parent charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the group and of the parent's ability to continue to adopt the going concern basis of accounting for a period of a least twelve months from the date when the financial statements are authorised for issue.

# YEAR ENDED 31 MARCH 2018

### Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If based, on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report the fact.

We have nothing to report in this regard.

### Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report (incorporating the strategic report and the directors' report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report (incorporating the strategic report and the directors' report) have been prepared in accordance with applicable law requirements.

### Matters on which we are required to report by exception

In the light of the knowledge and understanding of the group and the parent charitable company and their environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- sufficient accounting records have not been kept by the parent charitable company;
- the parent charitable company financial statements are not in agreement with the accounting records and returns;
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not obtained all the information and explanations necessary for the purposes of our audit.

### Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

# INDEPENDENT AUDITORS' REPORT

# YEAR ENDED 31 MARCH 2018

In preparing the financial statements, the trustees are responsible for assessing the group and parent's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the group or to cease operations, or have no realistic alternative but to do so.

### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <u>www.frc.org.uk/apb/scope/private.cfm</u> This description forms part of our auditor's report.

### NOTES TO THE FINANCIAL STATEMENTS

### YEAR ENDED 31 MARCH 2018

#### 1 Accounting policies

#### Basis of preparing the financial statements

The trustees have regarded both post year-end information and future budgets when considering the going concern status of the charity. Though the charity does significantly rely upon donations from the public and the trading subsidiary, in the opinion of the trustees, the charity will continue to be a going concern for the foreseeable future. The accounts have therefore been prepared on a going concern basis.

#### Basis of consolidation

The consolidated financial statements incorporate the financial statements of the charity and its subsidiary, Trinity Community Enterprises Limited on a line by line basis.

#### Accounting convention

The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at fair value, and in accordance with applicable United Kingdom Accounting Standards, the Companies Act 2006, the Charities Act 2011 and the Charities Statement of Recommended Practice (FRS 102 2015).

The charity is a Public Benefit entity.

#### Income recognition

#### Charitable and non charitable trading activities

Income generated from the supply of goods or services is included in the income statement in the period in which the supply is made.

#### Donations and grants

Income from donations and grants, including capital grants, is included in income as soon as legal entitlement arises, their amount is known with sufficient reliability and their economic benefit is probable, except as follows:

When donors specify that donations and grants given to the Trust must be used in future accounting periods, the income is deferred until those periods.

When donors impose conditions which have to be fulfilled before the Trust becomes entitled to use such income, the income is deferred and not included in income until the pre-conditions for use have been met.

When donors specify that donations and grants are for particular restricted purposes, which do not amount to preconditions regarding entitlement, this income is included in income of restricted funds when receivable.

Gifts in kind are recognised at fair value for goods or for services and facilities their estimated value to the charity, in both cases at date of gift.

#### Interest receivable

Interest is included when receivable by the Trust

#### Expenditure

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on the basis on total income attributable to each activity which is consistent with the use of resources.

Community	12%	(2017 - 41%)
Education	8%	(2017 - 6%)
Arts	23%	(2017 - 27%)
Heritage	57%	(2017 - 26%)

All expenditure includes irrecoverable VAT where applicable. Charitable activity costs include governance costs, which are those incurred in the governance of the charity and its assets and are primarily associated with constitutional and statutory requirements.

The shift towards Heritage activity relates to the Trinity Centre Conservation Project.

### NOTES TO THE FINANCIAL STATEMENTS

### YEAR ENDED 31 MARCH 2018

#### 1 Accounting policies (continued)

#### Tangible fixed assets

Tangible fixed assets are capitalised at values over £100 and are stated in the balance sheet at cost (except where stated otherwise) less depreciation, subject to impairment review annually, and calculated at rates intended to write off the excess of the cost over the anticipated residual value (estimated by reference to current market prices) of individual assets over their estimated useful lives.

#### Tangible fixed assets - Depreciation

Depreciation is provided at the following annual rates in order to write off each asset over its estimated economic life.

Leasehold property improvements	<ul> <li>10% straight line on cost</li> </ul>
Events Equipment	<ul> <li>20% straight line on cost</li> </ul>
Fixtures and Fittings	- 20% straight line on cost
Office Equipment	- 20% straight line on cost

#### Investments

Investments in the subsidiary undertaking are held at cost less any impairment in value.

#### Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

#### Debtors

Trade and other debtors are recognised at the settlement amount due. Prepayments are valued at the amount prepaid after taking account of any discounts due.

#### Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments.

#### Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any discounts due.

#### Financial instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of loans which are subsequently measured at the carrying value plus accrued interest less repayments. The financing charge to expenditure is at a constant rate using the effective interest method.

#### Pensions

The charity operates a defined contribution pension scheme. The assets of the scheme are held separately from those of the charity and are independently administered. Contributions are charged in the accounts as they become payable in accordance with the rules of the scheme.

#### Fund accounting

#### Restricted Funds

The restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

#### Unrestricted Funds

Funds which are expendable at the discretion of the trustees in furtherance of the objects of the charity. Those funds earmarked for particular projects are designated as separate funds. However, the trustees' discretion to apply such funds is not legally restricted.

#### **Designated Funds**

The trustees may at their discretion set aside funds for specific purposes, which would otherwise form part of the general reserves of the organisation.
