THE HOME OF BRISTOL SOUND

Trinity's mission is to empower communities through arts and make sure everyone has the opportunity to access and shape arts and culture in Bristol

Trinity is a Grade II* listed building, a much-loved historic landmark a cultural hub for East Bristol and one of the city's few remaining independent live-music venues.

Known as the home of the Bristol Sound, Trinity is a legendary Bristol venue with over 40 years of music history. Peaches, Young Fathers, The Prodigy, New Order and Hot Chip are just some of the big names who have played here.

Trinity is proud to have achieved Bronze status in line with Attitude is Everything's Venue and Festival Charter of Best Practice. Our venue is accessible on both floors and accessible toilets located on both floors.

Community activity makes up over 60% of programming at Trinity, supported through free/subsidised hire, enabling communities like Gerry's Attic a weekly dance group for the over 55's and The Rhythm of the Night a monthly club-night for adults with learning difficulties to find happiness and opportunity here.

We are an approved premises for Marriages & Civil Partnerships, our friendly team know what it takes to prepare and hold a successful, stress-free day.

THE SPACES

A romantic scene at a wedding reception. A man and a woman are dancing closely in the center, both smiling. The woman is wearing a white lace dress, and the man is in a white shirt and dark vest. In the background, a band of five people is performing on a stage. The room is decorated with white paper fans hanging from the ceiling. The entire image has a warm, golden-yellow color overlay.

A photograph of a rehearsal space. In the center, a person stands with their back to the camera, facing a bright pink backdrop. To their left, another person is partially visible, also facing the backdrop. To the right, a third person stands with their back to the camera, facing the backdrop. The floor is dark and reflective. The overall lighting is dim, with the pink backdrop providing the main light source. The image has a blue tint.
