EASY, LOCAL, AFFORDABLE

As an all-in-one venue, Trinity offers a range of packages to suit you, whether it will be just the ceremony, or the 'full monty', we can accommodate all aspects of your special day all in one space.

Each space creates a different atmosphere and removes the stress of transporting your guests from one venue to the next. We offer local resident and off-peak discounts making Trinity one of the best value for money venues in Bristol.

A photograph of a wedding reception at Trinity. In the foreground, a man with a beard, wearing a white shirt and a light-colored vest, is dancing with a woman in a grey dress. They are both smiling and looking at each other. In the background, many other guests are seated at round tables, some of which are decorated with flowers. The room is filled with people, creating a lively and festive atmosphere. The lighting is warm and the overall mood is celebratory.

"We were able to completely put our own stamp on the venue with decorations, our choice of caterers & use of the space. Staff were really friendly & helpful and it was wonderful that we could do everything in one place with plenty of space."

Amber & Andrew, 2017
