- Cassie - Programme Coordinator
- Jo-Joyce – Production Coordinator

Trinity Presents Music Programme

TCA

- Our in-house programme of music and performance, bringing world-class artists and emerging talent to inner-city audiences
- Our aim is to diversify our programme focusing on underrepresented artist
- Focusing on the rich heritage of the building with genres such as reggae, punk, electronic and boundary pushing creations
- Diversifying not just onstage roles but off-stage roles too (technicians, sound & lights)

2023 so
far...

Kabaka Pyramid + Sasha Steppa

April

- Grammy winning conscious revolutionary lyricist with a signature musical style; Blending the power, energy, and melody of reggae with the lyricism of hip hop.
- Attended 455
- Artists employed 6
- Highlighting the heritage of the building

Dundundun + Ngaio

April

- Dundundun combines African and Latin rhythms with jazz & electronics to create uplifting soundscapes and deep hypnotic grooves
- Attended 69
- Artists employed 8
- Programming local emerging talent
- Using The Den, profiling a new space available

What's to come...

- The artists budget will allow us to programme at least 10 events between 2023/24

Planned shows:

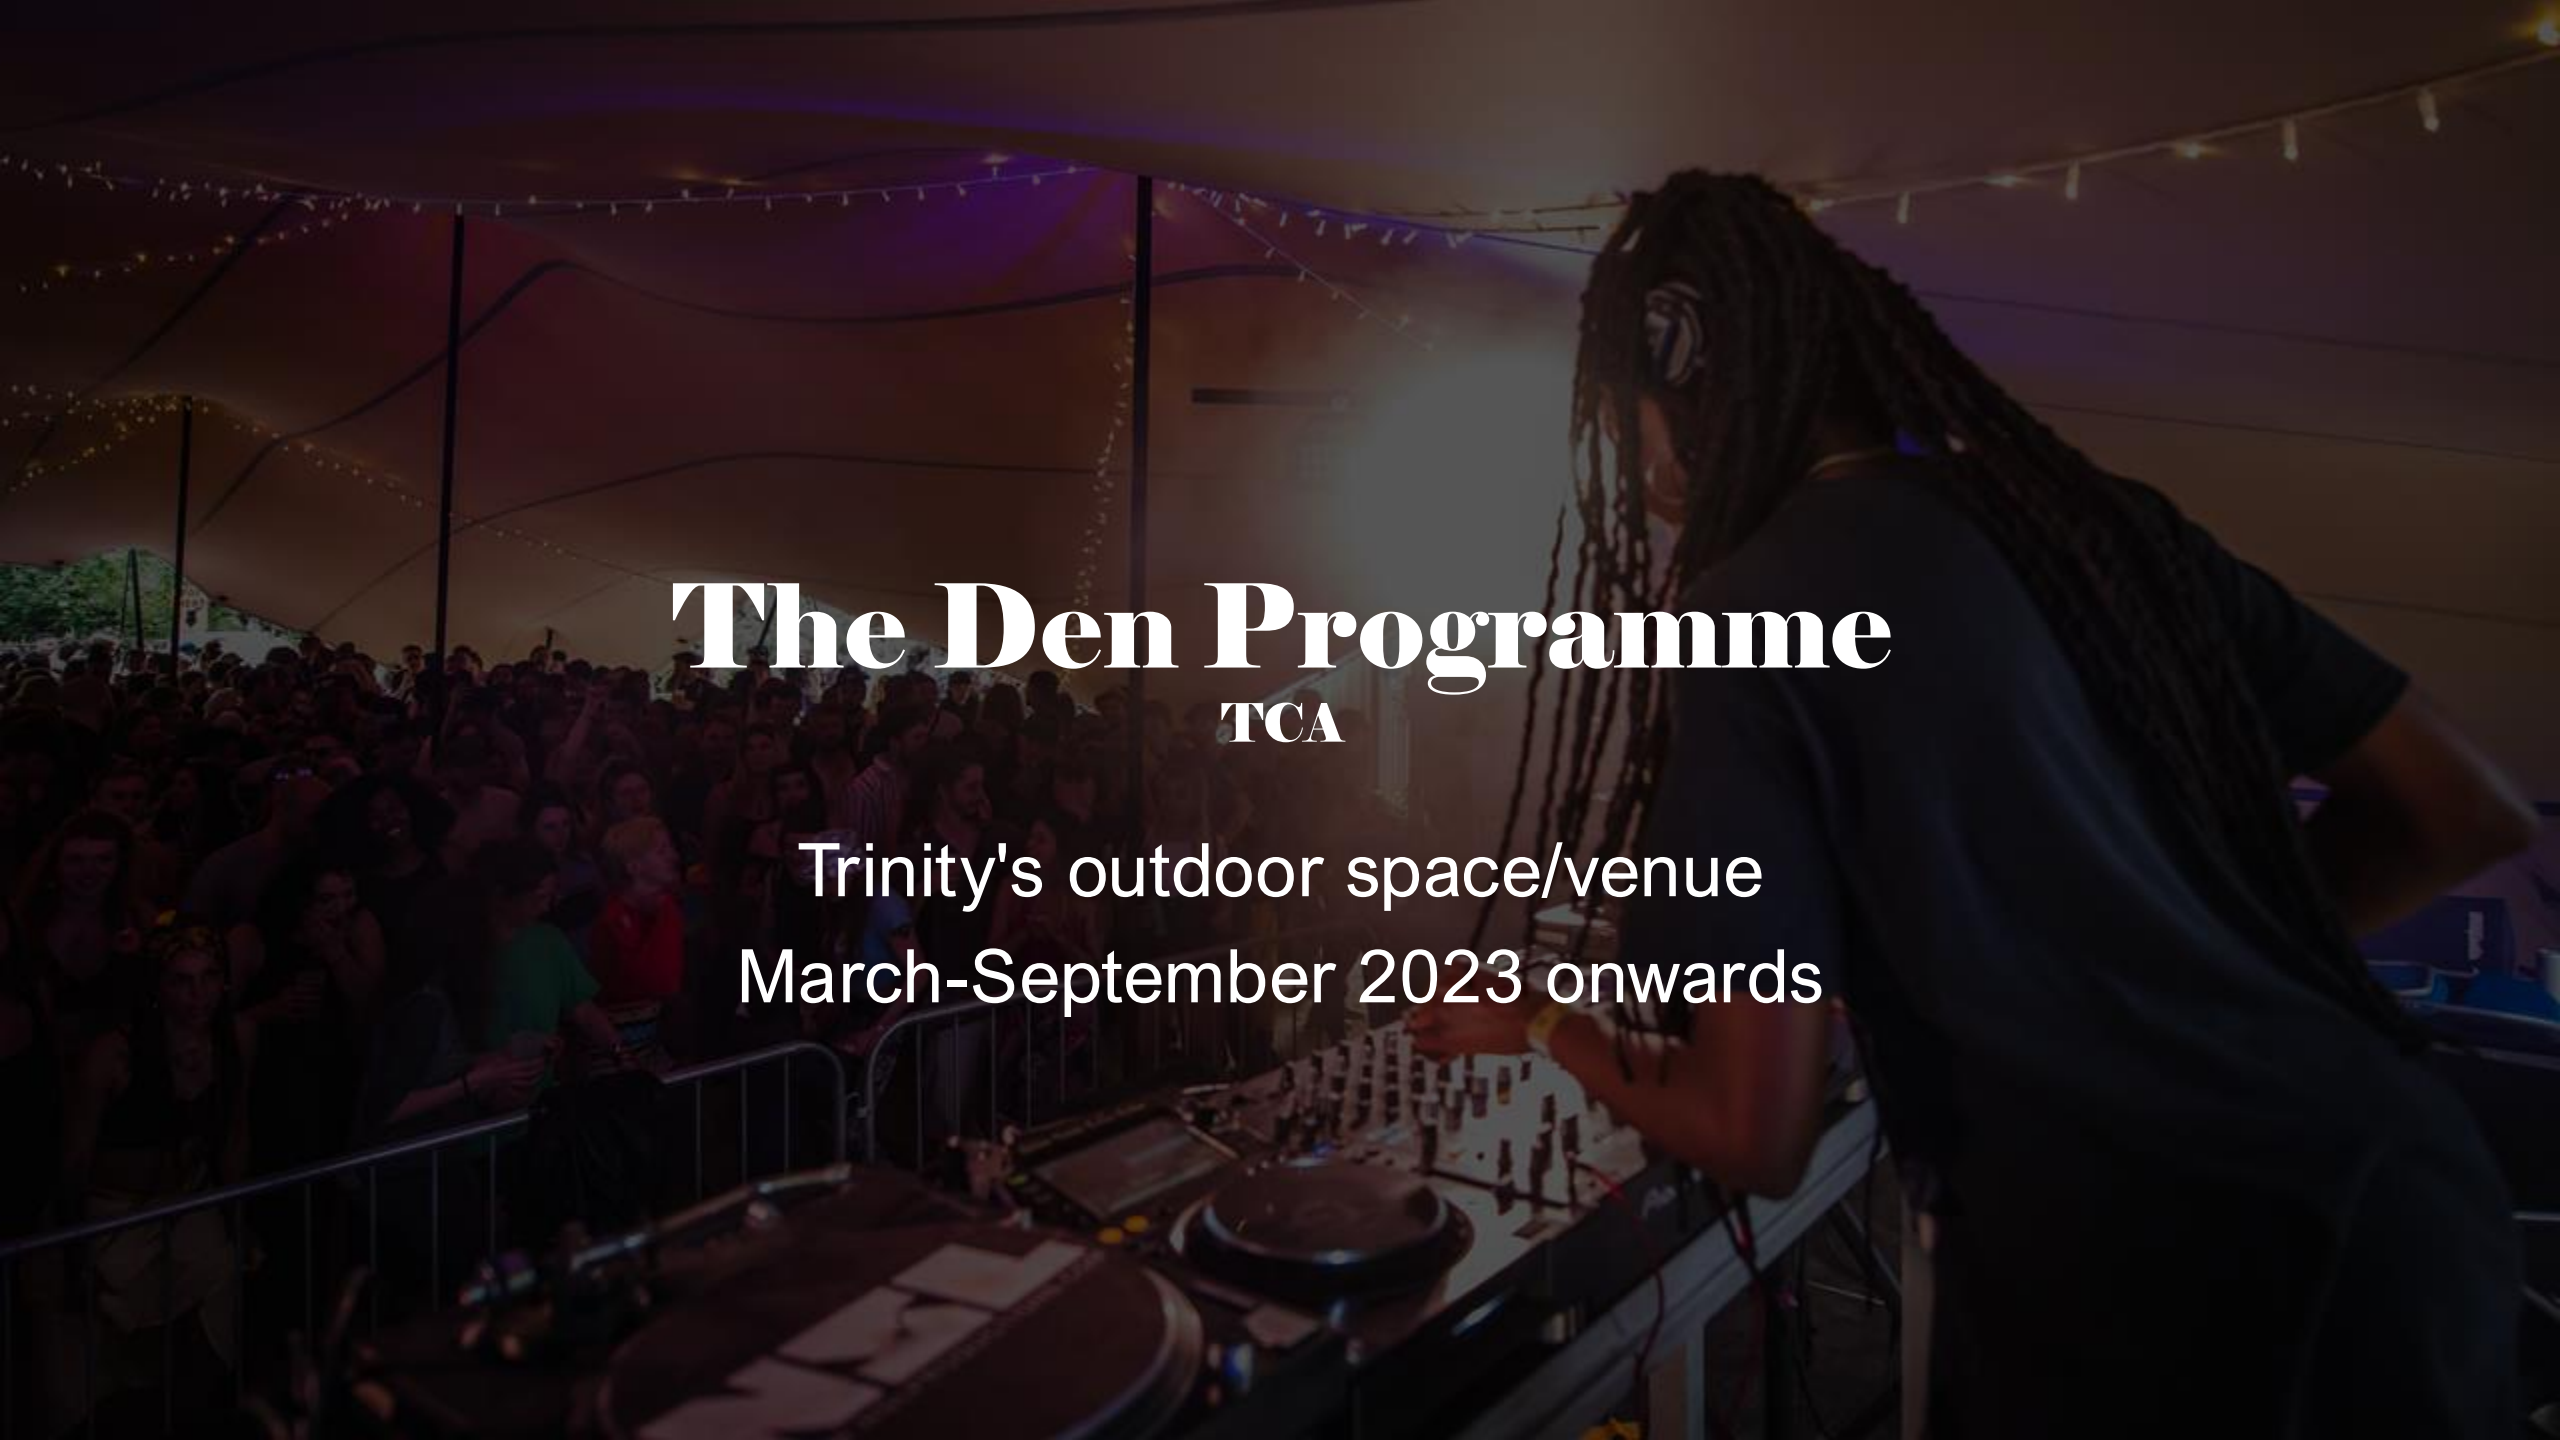

Orchestra of Samples (live) - 15 June

- The acclaimed live performance is a unique musical journey without borders. Taking in Senegal, Kazakhstan, Indonesia, China, Colombia, Brazil, India and many more to connect cultures and bring musicians and instruments together, from traditional and rare, to the newly invented.
- We've partnered with Addictive TV, Bristol Refugee Festival, Counterpoint Arts, Diverse Artists Network and LARA

- Muva of Earth (live)
- Trinity & Peachin' presents Donae'o (club)
- Obsidian (Booty Bass & Shade Cartel) NYE (club)

+ many more to come
